MEMORIE DELLA SOCIETÀ ASTRONOMICA ITALIANA

Supplements Vol. n.25 2013

The structure of galaxy disks shaped by secular evolution and environmental processes

Special session of EWASS 2012

Rome, July 2, 2012

editors: P. Di Matteo, and C. J. Jog

TABLE OF CONTENTS

Session II: Dark halos and gas in galaxy disks: distribution and impact on the stellar structure

Session III: Secular evolution and environmental processes in galaxy disks
